OUR ENVIRONMENTAL POLICY

Dear Esteemed Guest,

We are delighted to welcome you to Hôtel La Pérouse**** Nice and would like to extend our gratitude for choosing to stay with us.

At La Pérouse, we firmly believe that every gesture matters when it comes to preserving our precious environment. With profound dedication, we have established this environmental charter, embodying our commitment to work towards a more sustainable and nature-respecting future.

We take pride in sharing our values and sustainability initiatives with you. Every detail, from our procurement choices to our daily practices, is guided by our desire to minimize our ecological footprint and protect the natural beauty of our region.

Throughout your stay, we invite you to join us in this responsible endeavor. Together, we can make a difference by adopting more eco-conscious practices, as every positive action contributes to a brighter future.

Wishing you a memorable stay at La Pérouse, where exceptional service seamlessly merges with our dedication to the environment.

With our sincerest regards,

The Team at La Pérouse Nice

WATER AND ENERGY CONSERVATION

- Our faucets and showers feature limited pressure to conserve water resources.
- Monthly readings of water and electricity meters help us manage consumption efficiently.
- All our lighting is LED-based, ensuring energy savings without compromising guest comfort.
- Motion-sensor and timer-based lighting is installed in common areas to curb energy wastage.
- Room air conditioning automatically turns off when windows are open, with controlled temperature settings.
- Newly acquired appliances are energy efficient.

WE LIMIT AND SORT WASTE

- We have established several selective sorting points.
- We sort all types of waste, including organic waste, for composting purposes.
- We predominantly use bulk or large packaging for products to minimize unnecessary packaging.
- Our welcome products are now provided in dispensers with controlled dosing to prevent waste and overconsumption.
- Individual welcome products are made from biodegradable materials and with minimal excess packaging.
- We offer micro-filtered water in glass bottles to avoid plastic usage and reduce the carbon footprint associated with transportation.

WE PRIORITIZE THE WELL-BEING OF OUR CUSTOMERS

- Our grocery store offers a wide range of products from our region, sourced directly from producers (refer to restaurant Le Patio).
- We prepare meatless meals using seasonal and local products, and we accommodate various special dietary requirements.

LA PÉROUSE

HÔTEL 11 QUAI RAUBA CAPEU NICE

- Our restaurant/snack menus offer organic and/or fair-trade products.
- The products used for maintaining accommodations/rooms/apartments are all eco-labeled, providing better air quality and reduced health risks.

WE RAISE AWARENESS AMONG OUR TEAMS AND CUSTOMERS

- Our environmental manager undergoes specific training on sustainable tourism, environmental preservation, and corporate social responsibility (CSR) issues.
- Our teams are trained in eco-friendly practices to follow in their daily tasks.
- We select our service providers and suppliers based on their sustainable and social commitments.
- We provide our customers with information booklets, brochures, and displays about the local animal and plant species.
- We offer various alternatives to reduce car travel: bike rentals/loans, shuttles, public transportation, and carpooling options.

AND EVEN MORE

- Our green spaces are maintained without pesticides, and we use alternative methods to combat weeds and insects.
- Each year, we commit to new criteria to enhance our approach. Feel free to share your ideas with us!
